

WHAT TO BRING

when coming to Canada?

**PACKING AND ORGANIZING YOUR ITEMS CAN BE EXCITING.
IT CAN ALSO BE A LITTLE BIT EMOTIONAL TOO...**

...especially if this is your first time away from home. Remember that your loved ones will also feel a mix of happiness and sadness with you leaving. This is a big moment for you, but also a big one for them as well.

You don't need to worry if you forget your favorite brush or jacket at home. You can easily find similar items here. If you're going to be with us during the winter months, it's suggested that you buy a proper jacket and boots while in Canada.
